## ATTENTION BOARD OF ADJUSTMENT APPLICANT:

The appeal form must be completely filled out. Attaching information pages to the form is suggested. Also,

- Supporting line drawings of changes to existing structures are required.
- 2) Drawings to be to scale whenever possible.
- 3) Drawings must show elevation views. Roof line, methods of attachment to existing structures, out buildings, etc.
- 4) All dimensions from shoreline must be shown. Measurements must be from closest point of the structure to the shoreline, i.e. the roof overhang, decks, porches.
- Accurate directions to the site must be given to enable an inspection by Board of Adjustment members.
- 6) Use only black ink. No colored inks or highlighters are to be used as these papers must be reproduced. Please type or print all information.

If upon review of the application and supporting documents, further information is needed, your application WILL BE RETURNED. This will result in a delay of your appeal. Applicants should give as much description and information of hardship created by the site remaining as is. Please understand, the better the information, the quicker the appeal can be acted upon.

If you have any questions, please contact the Iron County Zoning Office at (715) 561-5414.
